

European Federation of Chemical Engineering

13th PhD Student Workshop on Polymer Reaction Engineering

from May 14th – May 16th, 2025

in Prague, Czech Republic

organized by the

Working Party on Polymer Reaction Engineering

..... Registration fee: **100 €** for PhD students

Dear Industry Representatives,

dear Professors and PhD Students,

As soon as the last WPPRE in Lyon is over, the meanwhile **13th PhD Student Workshop on Polymer Reaction Engineering** begins. This time, the workshop will take place from **May 14th to May 16th 2025** in Prague, the “City of a Hundred Spires”. The workshop had already taken place in Prague in 2018 and was a great success. The PhD Student Workshop gives motivated students the chance to present their latest research to a professional audience from polymer reaction engineering. At the same time new contacts to fellow PhD-students as well as industry representatives are established.

Call for abstracts and registration is open!

Abstract Submission Deadline: **March 31st 2025**

Registration Deadline: **April 15th 2025**

Registration and abstract submission via:

https://www.chemie.tu-darmstadt.de/busch/forschung_akbusch/wppre/formular.en.jsp

We are looking forward to welcoming you in Prague,

The Organizing Committee
