Dear Industry Representatives,

dear Professors and PhD Students,

we are happy to announce the meanwhile 10th PhD Student Workshop on Polymer Reaction Engineering and invite you to join us in San Sebastian (Spain). The workshop is going to be held from April 20th to April 22nd 2022 in San Sebastian.

This PhD Student Workshop was created to give motivated students the chance to present their latest research to a professional audience from the field of polymer reaction engineering. At the same time new contacts to fellow PhD-students as well as industry representatives from interesting companies can be established.

We are looking forward to welcoming you in San Sebastian,

The Organizing Committee
