

9th PhD Student Workshop on Polymer Reaction Engineering

from November 23rd – 25th 2021

as an online event

Dear Industry Representatives,
dear Professors and PhD Students,

we are happy to announce the meanwhile 9th PhD Student Workshop on Polymer Reaction Engineering and invite you to join us in an online event. The workshop is going to be held from November 23rd – 25th 2021.

The PhD Student Workshop represents an international platform where young researchers in the field of polymer reaction engineering can build up valuable networks. It is an opportunity to meet fellow PhD-students and to get into contact with interesting companies and potential employers while presenting their latest research results.

We are looking forward to seeing you there.
