

European Federation of Chemical Engineering
2nd Working Party on Polymer Reaction Engineering
Hamburg, May 24th to 26th 2013

Invitation

Dear company representatives, professors and PhD-students,
we are happy to announce the 2nd WPPRE from **May 24th to 26th in Hamburg, Germany**. This conference was successfully installed in 2012 in Lyon, France, and presents a platform for young academics to exchange and discuss recent research results and as well to build up personal networks.

Amongst others, the topics will be:

- Emulsion polymerization
- Polymerization kinetics
- Modeling of polymerizations
- Reaction-plants
- Gas-phase polymerizations

Different topics in the field of polymer reaction engineering are explicitly welcome.

Registration

Registration fee: 75,- €

Invoice will be send to each participant after registration

Please download the registration form (excel sheet) from the homepage

<http://events.dechema.de/pre2013>

and send it to
